What is GOTUG?

- Geospatial Online Transportation User’s Group
- Began as an AASHTO Innovation Initiative (AII)
  - Initiated by Utah DOT
- AII project was a working group under the Standing Committee on Planning, Subcommittee on Data, now GOTUG is part of the Committee on Data Management and Analytics
  - The workgroup will provide ongoing support and development of transportation agency capabilities regarding comprehensive GIS-based online collaboration platforms
- GOTUG Steering Committee:
  - Kaitlin Marousis, Utah DOT (Co-Chair)
  - Jeremy Aycock, North Carolina DOT (Co-Chair)
  - Eric Abrams, Iowa DOT
  - Andrew Wimsatt, Texas Transportation Institute
  - Nicole Hanson, Idaho Transportation Department
  - Mark Sarmiento, FHWA
  - supported by: Penelope Weinberger, AASHTO
Why GOTUG?

• Maintain the momentum started with the UPlan AASHTO Innovation Initiatives

• Marry business needs with innovative web based geospatial solutions
